

# QUALITY SCORECARD

Select Specialty Hospital | Houston West, TX

9430 Old Katy Road, Houston, TX 77055

Admissions: 713.821.2800

**QUALITY STATEMENT:** At Select Medical hospitals, we strive to consistently deliver the highest quality care that is compassionately tailored to optimize patient outcomes. Select Medical rigorously monitors quality data as part of its dedication to constantly enhance the delivery of care and to improve quality of life for our patients and their families.

## VENTILATOR-ASSOCIATED PNEUMONIA

(VAP) **RATE** per 1,000 ventilator days

Our Data: **0.0** NHSN Benchmark: **0.6**

The number of hospital-acquired VAP events divided by the total number of patient ventilator days times 1000

## VENT WEAN

Our Data: **95%** All Select Medical LTACHs: **70%**

The proportion of mechanically ventilated patients successfully weaned off ventilation during their hospital stay

## PRESSURE ULCER RATE

 per 1,000 patient days

Our Data: **0.1** No NHSN Benchmark

The number of pressure ulcers divided by the total number of patient days times 1000

## CATHETER-ASSOCIATED URINARY TRACT INFECTION (CAUTI) RATE

per 1,000 Foley catheter days

Our Data: **2.1** NHSN Benchmark: **2.6**

The number of hospital-acquired UTIs divided by the number of patient Foley catheter days times 1000

## READMISSION RATE TO SHORT-TERM ACUTE CARE HOSPITAL

Our Data: **7%** All Select Medical LTACHs: **10%**

The number of Medicare LTACH inpatients readmitted to a short-term acute care hospital, planned or unplanned, divided by the total number of patient discharges

## OVERALL PATIENT SATISFACTION **90%**

Measures patients' perspectives on the care they receive at our hospital. Surveys encompass crucial aspects of care, such as communication with doctors and nurses, responsiveness of hospital staff, pain management, communication about medicines, discharge information, and cleanliness and quietness of the hospital environment

### OUR SPECIALIZED HOSPITAL FEATURES
